

## 1. Overview

These Terms & Conditions govern your access to and use of the SketchUp dynamic components, assets, and related materials (“Components”) supplied by **DynamicBits**. By downloading, accessing, or using any Component, you agree to these Terms.

## 2. License

- You receive a **non-exclusive, non-transferable, revocable license** to use the Components for your personal or commercial projects.
- You may **not** resell, redistribute, sublicense, or package the Components as standalone products.
- You may include the Components within your own project deliverables (e.g., architectural models, client work), but the Components themselves must not be the primary product being sold.

## 3. Ownership

All Components remain the intellectual property of **DynamicBits**. No ownership rights are transferred.

## 4. No Liability

The Components are provided “**as is**” without warranties of any kind. To the fullest extent permitted by law:

- You accept all responsibility for how the Components are used.
- **DynamicBits** is **not liable** for any damages, losses, errors, or issues arising from the use, misuse, or inability to use the Components.
- You acknowledge that dynamic components may behave unpredictably depending on SketchUp versions, user modifications, or third-party plugins.

## 5. Updates

Updates may be released occasionally. There is no guarantee of ongoing support, compatibility, or maintenance.

## 6. Termination

Your license may be revoked if you violate these Terms. Upon termination, you must stop using and delete all copies of the Components.

## 7. Governing Law

These Terms are governed by the laws of **Hong Kong**, unless otherwise required by local regulations.
